Hair

Hair needs to be neat, tidy and conservative. The following points are provided to help clarify the school's expectations:

- Outlandish or non-conservative hair styles are not permitted (including, but not limited to, awkward contrasting lengths, rat's tail, tracks, hair shorter than blade 2 and unnatural hair colours);
- Students should think carefully prior to making any radical changes to an already acceptable hairstyle;
- If hair is long in front (e.g. hair falling over or across the students eyes), it should be pinned or tied back to ensure it will remain tidy and sit off the student's face.

In the interest of safety and to limit the impact of head lice it is recommended that long hair be tied back. More information can be found here:

<http://conditions.health.qld.gov.au/HealthCondition/condition/14/165/351/Head-Lice>

Hair accessories

- Head band, hair ties and clips in white, blue or school mix colours

The P &C has confirmed that the Principal will make the final decision to determine if the hair style is acceptable. Undertaking a conservative hairstyle will ensure compliance with the high standards of dress and appearance in place at Payne Road State School and thereby help to maintain a positive tone in the school community and ensure that our primary focus will be centered on learning.
